"You must shine among them like stars lighting up the sky" Saint Paul - Philippians 2:15

Blanket Permission for Small Trips

There are quite a number of class and school trips students will go on in the immediate area such as library Museum and Suter visits. Rather than send a slip home to ask permission for each event we would like you to give us a general permission for visits within 20 kilometres of Saint Paul's

This doesn't mean that you won't hear about the trip just that we don't have to collect, checklist and follow up each time your child ventures forth.

I give permission for my child to go on trips in the local area up to a radius of 20 kilometres and I will let the school know if I have any objection as the need arises.
