Huge thank you to Vicky Hamilton for all her work organising the calf scheme. A huge thank you also to the community for supporting us and donating calves or money donation. It is very generous.

Great job Emily for rallying the students to learn and take part in the Rogaine.

Marie has spoken to Mr Cate about the students receiving a credit for participating in the Rogaine. Mr Cate is going to make it the final part of the navigation unit.

Thank you to Farmslands for their generosity donating to our Rogaine.

The Rogaine is all organised and ready to go.
