Swimming Lessons Term 1 2020

Kia ora e te Whānau

Welcome back to term 1 and the 2020 school year! Our children are quickly settling back into school life and getting to know their new learning spaces and teachers.

As we kick off the new year just a reminder here that our school swimming instruction (10 lessons over two weeks) starts **next Monday 10 February and concludes on Friday 21 February.**

Students are taught in small groups for a daily 25 minute lesson with professional swim tutors. This is scheduled throughout the day.

Our swimming instruction programme was moved from term 4 to term 1 to coincide with the warmer weather. We know the children will appreciate being able to use the pool during this time.
