Greetings from the School Directors

Years 1-13 Parent Partnership Day

Director Junior School

Greetings all,

It's that time of the year...
mid-year reports!

We are looking forward to connecting with you all to talk, share and celebrate your children's learning.

Last year, our Partnership processes were impacted by Covid Level changes but you as whanau, still managed to achieve the 90+% participation target at Mid Year reporting *and* 5 individual Kaitiaki groups achieved 100%!

We have achieved this target now for several years which confirms for me that you too understand how important it is that we continue to work closely together.

We will be holding our mid-year Partnership day on Wednesday 30th June and I really encourage all families to book an appointment.

Knowing how your child is progressing, what their next steps are and how we can both support them with their learning are key elements to successful learning.

I would also like to take this opportunity to thank all the parents who have been supporting us as parent helpers on trips over the last few weeks – the numbers of parents have been outstanding.

We have also had very positive feedback from various venues and facilitators as to how engaged and knowledgeable our students were plans are already underway for Term.

I look forward to seeing all families at Partnership day – lets see if we can hit the 95% mark again!

Warm regards
Karen Mose
Director Junior School

Director College

Greetings families,

A very important part of your child's success here at school is the relationship that the school has with the families of the students.

As a school we put great value on 'BELONGING & RELATIONSHIPS' and how we can all work together to support our students to achieve their learning goals.

Therefore we will be holding our Term 2 Parent Partnership Day Wednesday 30th June, 8:30am-7pm.

This is an opportunity for you to meet with your child's teachers across all their chosen subject areas to discuss how well they have progressed towards achieving their goals, what barriers they may be facing and how these can be addressed. You will also be able to collect your child's Term 2 progress report.

What will happen on this day for Years 1-13?

- Classes will not run as normal.
- Students will only come to school with their parents/caregivers during their scheduled appointment times.

We look forward to seeing you there.

Warm regards
Maila Alatasi
College Director
