

Students returning to Kaurilands School in 2021
School recommences Tuesday 9 February 2021 at 8.55am

We look forward to working with your family again in 2021.

DONATIONS All donations are tax deductible and tax receipts are issued in April of each year

Your donations provide an essential source of income for our school. Without whānau support, we will not be able to provide the same resources and opportunities for our students as we have in the past.

In the past, we have asked for different donations to cover different costs. To make it easier to understand, next year we ask for your support through a single annual donation of **\$300 per student**. This donation helps us to pay for:

- curriculum costs, such as technology resources and hardware, art, craft and creative materials, Seesaw, and other specialised programmes;
- facility costs, including providing resources to enhance the school's environment, support student learning, and keep our library up to date with reading materials; and
- education outside the classroom, including the costs of most school trips (note that additional donations will be sought for years 4, 5, and 6 camps, due to the significant costs of these camps).

This donation does not have to be made in one payment at the start of the school year. Contributions can be split across the year.

STATIONERY The school does not sell start of year stationery.

Take advantage of special offers through MySchool, and have stationery delivered to you at home.

All of your child's start of year stationery is available for purchase online via www.myschool.co.nz. Simply search for Kaurilands School, select the year level, and arrange to purchase. If you choose to shop elsewhere, you may view and print the stationery list on the MySchool website.

With your help, our aim is for all students to have stationery ready for their important start of school work.
