## **CARE 4 KIDZ**

This time quite a few photos for you to look at. The children at the CARE 4 KIDZ programme at Kaurilands School: playing with the lego, art on the playground, coloring in a banner, a new game and making a mosaic.

Here are the children who attend the GEIS programme, they are making bath bombs, in the outdoor play area, making jewelry, cutting out paper crocodiles and having fun with some messy "hand work" for our wall art.
