What wins have you had?

Having a stronger relationship with parents - they have time.

Time to slow down and be much more mindful of the beauty around me

Closer community relationship - phone calls, emails, etc

Getting to see home settings, know them more intimately

love Seesaw. easy to use and interactive

Vertical learning curve with a variety of new things

Spread your time more evenly, quality time.

Virtual meetings are now old school!

time to slow down, focus on one thing at a time

Opportunity to explore PD that you don't normally have time for.

Being able to put your laptop away at night.

cooking a meal each day - proper meals ;0

Family time with your own family - being a family unit.

time to connect in different ways .

What are you going to 'hold on to' from the experience over the last few weeks, post Covid?

use of our google site and seesaw

flipped learning

learning menu. PM readers on line

mindful of - the about of online our students are doing

Regular email check ins with taurira

slow down

Using technology - finding the best ways to create things.

looking after ourselves and others . quality time

meetings in PJs. :)

What support/help would be useful right now?

A great internet connection!!!! Rural connection is terrible and makes it really difficult.

Support in school has been amazing.

ideas for on line learning - engaging and hands on , creativity

Great to have time to follow up on digital technology.

How to support some of our families and do this better if this continues.

Making sure we support our families and ourselves.

Make use of our new skills - have a virtual meeting instead of all the physical rushing around.
