

Dear East Taieri

Thank you for responding so generously to my recent appeal for help. Your donation is so impactful and I'm truly grateful to have people like you alongside us as we Fight for our Reef. Thank you!

I wrote to you because we're at a crossroads. Mining giant Adani is on the back foot with their plans for a mega mine that will destroy the Reef. Now is the time to deliver a knockout punch and save the Reef for good. I cannot thank you enough for your generosity and for lending your strength at this crucial time for our beautiful world wonder.

It is so inspiring and encouraging to receive your donation. This is the most important time for our precious Great Barrier Reef, whose future depends on our actions now. Your commitment allows us to deliver a hard hitting strategy to expose Adani when it matters the most.

Your gift inspires us in everything we do to protect Australia's oceans and marine animals around our coastline. It's only because of generous people like you that our work is possible. Thank you again from the bottom of my heart.

With my sincerest gratitude,

Darren Kindleysides
CEO
