FREE COMPUTING COURSE

New Zealand Certificate in Computing (User Fundamentals) (Level 2)

TOI-OHOMAI
Institute of Technology

Get to know the world of cloud computing with this introductory 12-week course. You'll learn the basic computer skills you need to keep up with the online world – including how to make your own website!

This course will suit people who are:
- looking to return to the workforce and need to update their skills
- lifelong learners looking for a new challenge
- self-employed and looking for better ways to run their business
- wanting an introduction to modern ways of computing with a focus on cloud computing
- considering higher education

Next courses start Monday, 1 October with the following options and locations:
- day and evening classes at Brookfield, Mount Maunganui, Windermere Campus and Bongard Centre
- day classes at Katikati and Omokoroa
- evening classes at Pāpāmoa
