

East Taieri School Home & School Committee - Fundraiser order form

Bay Rd is made by the Hastie brothers, in Dunedin. They create a top-notch local peanut butter that is healthy, sustainable, and tastes great.

Jars contain 480g of freshly roasted, smooth or crunchy peanut butter. **Jars are \$10 each** and the school receives \$3 for every jar sold.

Bay Rd like to reuse the jars, so once they are empty and clean, you can return them to the factory for a discount on another jar purchased!
