

New Phone Rules

2024

Rules

Phones

The government has new rules about cellphones

government

Rules

Phones

Using phones too much can be bad for you

Phones can be used for cyberbullying

The rules want to keep you safe

Phones can distract you from learning

The rules wants to help you learn

Phones can distract you from your friends

The rules want you to grow friendships

The rules say 'no phones at school'

Phones

Phones

BUT the rules say that is OK at specific times

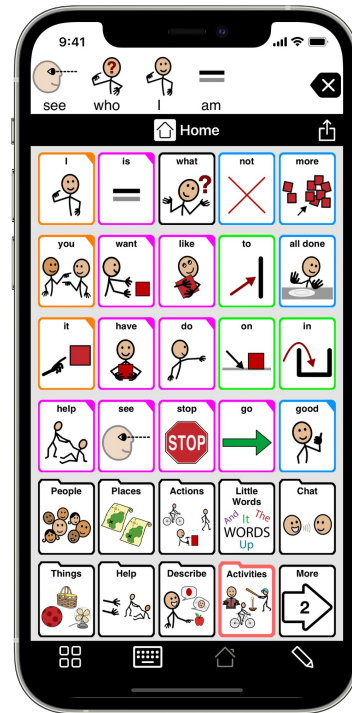

Phones

You can use your phone:

Communicate

To help you communicate

Phones

You can use your phone when:

The teacher asks you to for learning

Phones

What are some other LEARNING TASKS where we need phones?

Phones

You can use your phone when:

It is for health reasons
For example, if you have diabetes

You can use your phone when:

Your teacher & parents agree on a plan

A plan might be:
To listen to music to relax

No plan, no phones.

Phones

This is a change. Change can be hard.

When do you want to use your phones? *For example...*

I want to use it at
lunchtime

We could...

What other ideas do you have?

Are the rules unfair? Why?

unfair

think

Let's think about it and write some ideas.

Let your voice be heard!

What ways could we tell the government?
