Amuri Community Health Centre would like to remind patients now we have recently joined the **ManageMyhealth Patient Portal**.

Register today and stay on top of your health and wellness.

Give reception a call and they will initiate your registration.

Once you have joined you will be able to access **results, request repeat medications**.

The option will become available for online appointment bookings at some stage, and we will advertise when that happens.

Newly enrolled patients have the option to register with MMH on the enrolment forms they complete.

Each patient much have a unique and not shared email to register, once reception has signed you up you will receive a notification instruction on how to complete your individual set up.

For more information, please phone on 03 315 6328.

#### Car Park – Ice

Please be aware, the patient car parks in front of the building and entrance, are prone to be slippery in frosty conditions. There is grit to this area to alleviate the problem, but please still take care.

The faraway parks are a good option for early morning appointments on frosty days.

## Community Meeting - Hurunui Biodiversity Action

Please accept our invitation to a community meeting. This is for learning about and gaining your input into a new project initiated by the Hurunui Biodiversity Trust, in association with the Hurunui District Landcare Group.

With your help we aim to create a resource to help landowners and community groups better manage and protect biodiversity across Hurunui.

This work will help answer questions like:

- What native biodiversity is likely to be on my land?
- What can I do to look after and improve it?

Answering these questions will lay the groundwork for:

- More informed and efficient actions to protect and enhance biodiversity.
- Communities empowered with knowledge, thinking actively about what they want for native biodiversity and how to get there.

This meeting is relevant to everyone with a long-term interest in a healthy and functioning natural environment, especially landowners, managers, and community groups interested in native biodiversity.

Speakers: Dave Nicholls, Jamie McFadden, James Lambie, Mike Bennett.

**New Zealand Wetlands film comes to Amberley, June 16**

## "Rohe Kōreporepo: The Swamp The Sacred Place"

**Amberley School Hall, 7 pm, Thursday June 16**

*followed by discussion with wetlands specialists including*

**Greg Byrnes of Tūhaitara Coastal Park Trust**

**(Te Kōhaka o Tūhaitara)**

In the last 150 years, 90% of Aotearoa's swamps and wetlands have been destroyed in the name of development. Wetlands support rich ecosystems, provide natural flood control and are significant carbon sinks. They have always been regarded as sacred places and mahinga kai food gathering places by Māori tangata whenua.

This documentary, by acclaimed Christchurch filmmaker Kathleen Gallagher, celebrates the efforts of 60 community kaitiaki/guardians around the country to restore and enhance those that remain today, and explains why they are vital for a healthy and balanced future on Papatuanuku/Earth.

**Entry:** Adults \$10, children free. Mask-wearing encouraged

**Venue:** Amberley School Douglas Rd entrance. The hall is across the courtyard to the right of the office.

### **CAN YOU SPARE A LITTLE TIME & EXPERTISE TO HELP CREATE REPLACEMENT FAIRY DOORS?**

Over time some of the fairy doors have been damaged, so we need assistance to replace these. Our local tamariki would love to have their fairy doors back for when they go exploring!

The Community Response Committee will assist with supply of wood and paint required. All we need is some volunteers with the right skills and imagination to help build and/or paint them.

**If you are able to help in any way please send us an email or message via our Facebook page.**
