Lyttelton Primary School Student Information Consent Form

Images of our students (photographs, video clips, etc), and examples of their school work, are sometimes published in our newsletters, on our school website, and other online channels such as the school/class blogs, school Facebook page, school youTube channel, etc.

The purposes of publishing student material are to educate our students according to the national curriculum, to encourage students to participate in our school community, and to promote the school.

We believe it is important to celebrate students' achievements, but are aware of the potential risks when such personal information or material is published on a global information system such as the Internet.

In the interest of safety and security we require parents to give permission for their child's first name, image, or work to be made public.

With consent, we share no more than a student's first name, image, or work in the school newsletter, on the school website, or in the wider online community.

Please indicate your wishes by ticking the relevant box:

- ☐ I give permission for my child's first name, image, or work to be published in the school newsletter, on the school website, or the wider online community.
- ☐ I DO NOT give permission for my child's first name, image, or work to be published in the school newsletter, on the school website, or the wider online community.
