English in Year 12

English courses are based on topics of interest. Refer to the '[Curriculum Handbook](#)' on what the 5 different courses involve, and choose the one that you would be interested in. You will enter this onto the Portal.

Note: 12ELL is for second language learners only

See Ms Dyne or Ms Rainey for more information

Mathematics in Year 12

If a student does not have numeracy by the end of Year 11 they take 11MAN in year 12.

They would be on an IEP and would only need to be in 11MAN until they got there numeracy.

Your current Mathematics teacher will advise you which Mathematics course would best suit you.

Information regarding
entry into Year 12
courses is outlined in the
Curriculum Handbook.

When making your choices consider:

- What subjects you **enjoy**
- Which subjects you are **good at**

Spend time considering your future pathway.

- Look ahead to the subjects offered in Year 13 and ensure that you are thinking of your future Tertiary Education.

- Multi-level courses are able taken. Please indicate this on your course sheet.
- If you choose year 12 Gateway, this will be offered in 2 option lines, so only 4 other subjects are needed. 12 Gateway would need to be added twice into the portal choices.

Take the time to read through the subjects in the **Curriculum Handbook**

- **Remember to choose YEAR 12 subjects**
- Choose the **subject** you are interested in finding out more about and click on it.

Who to talk to

- Discuss the options thoroughly at home
- Consult school staff
- Subject teachers
- Form Teacher
- Dean
- Careers Adviser

NCEA Level 2 Requirements

- **80 credits**

- Minimum of **60 credits from Level 2 or above**
- **20 are carried forward from Level 1**
- including **5 reading credits** and **5 writing credits** to meet the University Entrance requirement. These credits can be gained from standards from a number of subjects.

It is recommended that students aim for the highest possible achievement rather than just gaining credits.
