

Cheviot Home and School Association

The Cheviot Home and School Committee welcomes you to Cheviot Area School. We hope that your time at our school will be a happy and rewarding time.

The role of the Home & School is to act as a link between staff, students and parents. We all want what's best for our children, and this is a way you can be kept informed and have your say.

We have informal and regular meetings where both parents and staff are able to express their thoughts and ideas.

As the school budget cannot provide all the “extras” that our students and teachers need, the Home & School committee has a role of fundraising to provide extra funds for resources and equipment for our school and ultimately for our children. Fundraising is not always arduous - in fact it is most often fun and social!

Home and School also run the second hand uniforms. If you wish to buy second hand uniform please contact Letitia on 03 3198114 or 02102653441

The school is the hub of the Cheviot community. We encourage you to join us and become more informed and active in decisions made that may affect your child at Cheviot School.

It is also a great way to meet and mix with other parents.

Meeting times and places are advertised on Hail.

We look forward to meeting you soon.
