While Government COVID regulations have changed and churches are no longer limited by numbers (we're unlikely to reach 200) or vaccine passes, please note that we still encourage the use of masks while inside the church - it seems that singing is a high risk activity for transmitting the virus!

Flu Vaccines

Flu season is upon us, and flu vaccines are available now. Please ring reception to arrange an appointment.

Vaccines are fully funded:

- You are 65 years and over
- You are pregnant
- Adults and Children who have a chronic health condition
- Māori and Pacific peoples aged 55 to 64 years

Non-funded vaccines cost **\$25** for registered adults and children.

Non-funded vaccines cost **\$36** for non-registered patients.

Remember, immunisation is the best way to protect our communities and Whanau from infection and serious illness.

Due to the COVID-19 pandemic, lockdown periods and border closures, influenza infections for the past two years have been very low which may have led to lower immunity in the NZ population.

As COVID-19 restrictions ease and borders re-open, it can be expected that a resurgence of respiratory viruses will follow, and vaccination against the Influenza virus is highly recommended. Thanks, the team at Amuri Health

Covid Vaccination Booster

Patients aged **16** and **17** years are now able to have their Covid vaccination booster.

This must be no sooner than **6 months** after the last vaccination of their primary course. Please phone reception to book an appointment.
