CULVERDEN COMMUNITY COMMITTEE AGM

To be held at Hillcrest Chambers (old council building)
Wednesday 13th October 7.30pm

As we revealed at the ANZAC service in April, our Committee are planning a new ANZAC memorial that can be the centre piece of commemoration gatherings.

We have several different concepts, that will have different budgets, but are struggling to progress the one utilising a bronze statue.

We are seeking help to get a price for a bronze statue as the main feature, if anyone can help us on how we can get a mould made that a foundry could cast, we would like to hear from you.

Once we have costings on the different options we will come back to you.

Regards from your Community Reps

CULVERDEN AMATEUR SWIM CLUB will be having their AGM on Monday October 18th at 7pm at the Amuri Community Library. Apologies to Kylee at kylee@amuri.school.nz

The swim club is responsible for the pool during the 3 week Christmas/New Year break and after hours throughout the time the pool is open over the summer. We desperately need community members to join our group to help support the running of the pool. We had fantastic community support last season with a huge number of key holders. We are grateful that the pool is serving the community, now we need people power to serve the pool, to keep it open to the public when the public need it most.

We would like to publicly thank Phil Woods for his support of the club. Phil took on a number of roles within the club in his time here and was a great advocate for the pool and the community.

Mental Health Awareness week 27th September – 1st October 2021

Let's talk Mental Health!!

In today's fast paced world and the demands of life, we live under an increasing pressure to perform.... to do better, reach higher, earn more. To meet more legislation, meet higher expectation, battle unexpected elements, bounce straight back up from setbacks etc

We are also conditioned to mark our success by our achievements, appearance, farm profit, bank account, family life etc....

Sometimes it doesn't go to plan! Sometimes life becomes a struggle. We can go from thriving to struggling at any time depending on what happens around you. Some of us can cope with this, most need support.

One in four people in the world will be affected by mental health problems at some point in their lives. Around 450 million people currently suffer from mental health problems, placing mental health among the leading causes of ill health worldwide. Nearly two-thirds of these people never seek help from a health professional prolonging their illness and reducing their ability to cope. (World Health Organisation)

You are not alone, and help IS available

Our community has been through a lot! Life can take a toll on Mental Health.
The earlier you seek help, the better the outcomes have proven to be.

Asking for help is hard, it takes a courageous first step.
We want to make that as easy as possible for you.

If you are not ok, PLEASE reach out and give us a call.
