WorkSafe NZ was notified on 9/03/2023 that this licensed asbestos removal work is to be undertaken.

Otago Boys High School management and board of trustees have been consulted about the nature and timing of this work, together with the safety measures to be used.

The following safety measures will be put in place and maintained for the duration of this project:

- Signs, barriers and/or temporary fencing will be installed.
- PVA solution or water will be applied to asbestos containing materials to prevent airborne asbestos fibres dust (as required).
