LIFEGUARD SERVICES INC

11 September 2018

Dear School Principal/Sports Co-ordinator

My name is Anna Swanney and along with my fellow lifeguard Shanae Richardson we are the membership co-ordinators of Waihi Beach Lifeguard Services. We have both been a part of the Club since we were very young and now that we instruct our lifeguard development programs we recognise the importance of water safety for all of our community.

We are interested in informing children and young adults of the many opportunities they can gain through the introductory junior surf program, to becoming a rookie lifeguard, then a fully qualified lifeguard.

These programmes not only develop water safety and confidence, but also fitness, comradeship, leadership, and other advanced skills like first aid (through to pre-hospital emergency care), the use of rescue power craft and search & rescue. We also offer an amazing surf sports program with internationally recognised coaches, competition and huge amounts of fun.

I have attached a number of resources for you to share with your students and staff:

1. Promotional poster (suitable for e-website newsletter or school poster)
2. Newsletter insert (see below)
3. Details of our upcoming lifeguard camp for 14+ years old's held over a 3-4 day period (no previous experience needed) all training provided

If convenient, our lifeguards are available to visit your school to present the rewarding journey of lifeguarding and provide a forum for Q and A.

If you would like any of the following resources please email our office or phone our Administration Manager on 07 863 5108.

Look forward to hearing from you

Kind regards

Anna & Shanae
