Reading Together Workshop

Dear Parents

Following on from our three very popular Reading Together Course we would really like you to consider taking part in our **Reading Together** workshop programme for parents. I am sure you will find it of great help for yourself and your child(ren), as you support their education. We all know how important reading is for children to succeed. One of the things that really helps children to become good readers is support from home. The **Reading Together** workshops will show you best how to do this. A huge number of parents nationwide have already attended these workshops and found the programme very helpful, indeed we have already run three very successful workshops here at Amuri Area School.

The programme consists of **four** workshops – each 1 hour and 15 minutes. **To make the most of this opportunity it is important that you attend all of the workshops if you can.**

These are the *proposed* dates:

Session 1 Wednesday 21st October 7.00-8.15 (For parents only – light food provided) – In Te Kooti

Session 2 Wednesday 28th October* 7.00-8.15 (For parents and children – light food provided) IN THE LIBRARY *We will discuss the time for this on the first evening and make it earlier if possible.

Session 3 Wednesday 4th November 7.00 -8.15 (For parents only – light food provided) - In the library

Session 4 Wednesday 11th November 7.00 – 8.00 (For parents only - light food provided) – in the library

The programme is **FREE!** We can even help with childcare costs if you need it and it will REALLY help your children to become much better readers. In particular, it helps children to UNDERSTAND what they are reading, and helps you to form strong bonds and make reading a positive family experience.

Please see <https://www.readingtogether.net.nz> for more information and the significant positive research on this programme. We are looking forward to your participation.

Please register by e-mailing alison@amuri.school.nz or phoning 0276443374. Should you need further information I will be happy to answer any questions you may have.

Yours faithfully

Alison Nimmo

ARE YOU GETTING THE BEST ELECTRICITY DEAL CURRENTLY FOR YOUR BUSINESS' / FARMS NEEDS?

How do you know?

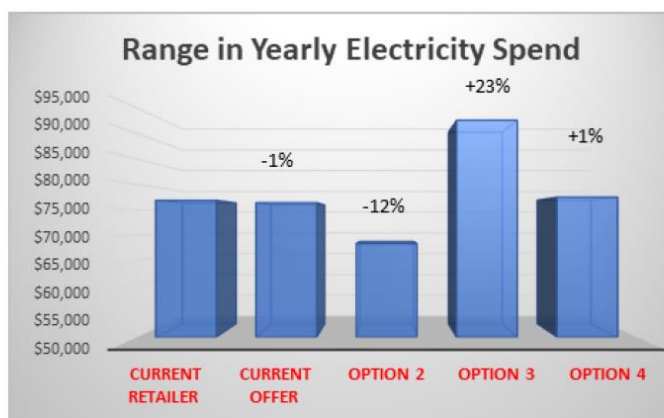

Powerdeals4u is an independent electricity broker with over 20 years experience in the electricity industry. We negotiate contracts on our customers behalf to ensure they have the very best offer on the market today.

We do this by analysing your businesses electricity consumption & metering information then we tender this to all of the major power retailers.

We've found a large range in pricing between power retailers. The chart to the right shows the actual range of a quote for an irrigated Canterbury dairy farm (-12% to +23% versus current pricing).

Which company could you be with?

Our fee for our professional services is 10% of your 'total savings'. If we can't save you over \$1000 there is no fee. We have been working with businesses & farms including a large tender in Otago & to date we've averaged saving 11%/year. Your actual saving may vary depending on which retailer you are with and how long you have been on your current contract.

If you're interested to see what we can do for you please contact us at powerdeals4u.co.nz or call/ text
