

Achieving for Life

Respect - Responsibility - Resilience - Positive

Continuously improve our specialist environment ensuring every Cobham student is provided with a fit for life educational experience delivered by inspired, passionate and skilled teachers.

	Quality	Place	Opportunities	Innovation	Pathways	Community	
	"We are connected to every student's personal journey of achievement allowing us to pro-actively respond to their needs and monitor their wellbeing"	"Our culture of excellence will facilitate academic and personal growth"	"Every student is exposed to a wealth of exceptional opportunities that encourages them to find their passions and chase their dreams"	"Innovative thinking and practice and a pioneering spirit are developed to enhance learning outcomes and access to Cobham Intermediate School"	"To grow our children amidst a curriculum and culture that gives a clear sense of identity and a path to future success"	"We are continually strengthening relationships within our community and celebrate our contribution"	
ākonga	Unconditional focus on the growth, progress and high educational achievement of each and every unique student.	Recognisable happiness within healthy and safe facilities that champion a 'fit for life' educational experience.	Learning to experience and learning through experience to understand and recognise informed choice in a positive all inclusive school community.	Foster innovation with student success at the centre of all decision making, and maintain the strong sense of identity and unity of Cobham.	Ensure a student centred curriculum and diverse leadership programme to harness exposure for pathways beyond school.	Define and understand our origins and key communities, to develop and provide ongoing community interaction and share real time learning.	Kahui to tan me to
kaiako	Applying best practice at all times, teachers are well supported to provide outstanding educational and pastoral care with a focus on strong relationships with students.	Passionate, specialist Year 7/8 professionals collaboratively enhance excellence and support leadership development.	Teachers enhance student exposure and choice opportunities to ensure Cobham graduates move on to high school understanding their emerging passions.	Inquire into 'puzzles of practice', to find ways to ensure individual student success within agile physical, forward thinking and online learning environments.	All staff identify each student with potential social, academic, emotional, cultural and sporting pathways both within and outside the education sphere.	Working in partnership with other communities of interest and involve them to enhance the school's future and the provision of high quality education in New Zealand.	

All students achieve personal excellence

Excellence and opportunity
