

Mission

Our mission is lifelong learning that is accessible to all. The beliefs which underpin our mission are that education should be available to all and that we should do our utmost to create opportunities for lifelong access to secondary learning for adolescent and adult students.

Vision

Our vision is that captured in our whakatauāki: ka puāwai te koru, ka puāwai te tangata – as the koru opens, so too does the person.

That whakatauāki is about inspiring our students' futures and transforming their lives. We believe that effective engagement in learning is based on the relationships we build with each of our students and on each student's wellbeing. We do this so that, like a koru opening, each student will achieve to their full potential, will develop the personal values and competencies critical to successfully learning, living and contributing in society, and will transition successfully from Te Puna Wai o Waipapa to further learning, training or employment.

Values

Enacting the College's values brings our mission statement to life. Our values are based on the relationships we build with each of our students. Those relationships are the foundation of student wellbeing and learning.

9. An additional transition morning is held in early December for students who may feel particularly anxious about starting high school or who need additional transition support.
10. If you have any questions along the way, please contact Lisa Amer at lisa.amer@staff.hagley.school.nz and she would be happy to help you.

Tuakana-Taina

The story behind Hagley's values.

Our school values at Hagley are represented by this koru symbol. The **tuakana** (older koru fern) shelters the **taina** (younger koru) as it grows and unfurls.

With these values in place, the taina of today will become the tuakana of tomorrow.

Whakamarumaru
RESPONSIBILITY
Whakamarumaru means 'to cause shade'; the tuakana protects the taina, helping it grow.

Mana
RESPECT
Mana is the relationship of mutual respect between the tuakana and taina.

Whakawhirinaki
TRUST
Whirinaki means 'to lean upon'; the taina relies upon the tuakana to provide support.

Tika
INTEGRITY
Tika is to be correct; when something is the way it should be.
