

Tēnā koutou,

My name is Te Awhina Ora Vreugdenhil and I am an intern with the New Zealand Graduate School of Education, currently on placement at Woodend. I am excited to be working with Mike Crawford, Caitlin Loose, and Roz Ellis in Te Ngahere with the incredible year 5 and 6 students.

My educational background is in psychology and life coaching and my passion is for developing people. I love anything outdoors and am currently putting my own brain to the test by taking on the drums.

I'm really enjoying teaching here at Woodend, and look forward to learning from the teachers and students just as much.

Ngā Mihi,
Miss V
