

1st May 2020

Hi Everyone

I hope you are all keeping well and enjoying the sunny days. It's great to be able to get outside and I'm sure your children will be happy to do that too.

Thank you to everyone who has completed the survey, we really appreciate your responses and the insights this is giving us to how things are for you. Please do fill it out if you haven't already. The information you provide is really helpful as we plan ahead, looking at how best to provide extra support as needed.

It has also been quite clear from the survey how stressful home learning can be. If it is all too much then please only do what you can. If you need to take a break then do so. Our teachers are here to help, so if they can assist in any way please say. We also realise that many of you are juggling work, sick family, job losses and other pressures too. It is not a problem if you need to scale down or step back from the learning.

Thank you for all the efforts you are making to keep your child/ren at home as we remain at Alert Level 3. If your work situation changes, and you need your child/ren to return to school under Alert Level 3, please either give me a call, or send an email so we can plan for their return.

I'm sure some of you will have enjoyed your favourite takeaways this week! As always, if you have questions about anything please let me know. principal@kbs.school.nz.

Ngā mihi nui
