

Te Kura Tuarua o Hone Paora Tuarua Ki Māwhera

John Paul II High School

Bang'n Bird Pre-Order Sheet

John Paul II High School are carrying out a fundraiser by selling Blazen.Metal Bang'n Birds, at a special fundraising price of \$35. Up to \$10 of every sale goes back to the school. Bang'n Birds are a creative way of displaying our unique native fauna, made here in New Zealand. They are created using weathering steel, which will form a beautiful rusty patina. Simply hammer in to your desired location and watch it transform with time. These birds make great Christmas gifts for all your friends and family.
