

2023 Wellington Trades Academy Course Information

Remember these are courses that...

a) you need to commit to 2-3 days per week and will have a modified timetable for the remaining 2-3 days you are at school each week.

b) **ARE NOT tasters.** They are pathway courses that you really need to be committed to and are seriously thinking of heading into once leaving school.

c) students on a more traditional 'academic' pathway can also do. It would be a matter of sitting down to work out how to make this happen.
