Welcome

On the behalf of Selwyn United FC it is our pleasure to welcome all players, coaches, managers and supporters to the 10th Grade Dragons Pride End of Season Tournament.

We are sure you will all enjoy the marvellous facilities at Foster Park, our district's main football venue.

Selwyn United FC is very grateful to the Selwyn District Council for sharing our vision and support for football and this facility, which is set to gain a multi court indoor stadium for completion in 2021.

Players, I hope you all take time to reflect on the efforts of your coaches, parents/caregivers, and your club officials that made it possible for you to attend this tournament.

In return, give 100% effort on and off the field, play fair, play hard and make yourself and your club proud. Above all have fun.

You will develop life-long friendships with fellow players that will endure whatever the results are on the football field.

We are delighted to host you and wish you all an enjoyable experience in Selwyn.

Festival Information

Tournament Coordinators: Megan Blondell 021 643 496
Michelle Marshall 0278 298 639

Managers meeting: Fri 2nd October – 8.00am Foster Park

Rules: Unless specifically stated, FIFA rules to apply at all times.

- **Fields size:** 55x35m, retreating line @ 30%, 4.5x2m goals. Ball size 4.
- **Access to fields:** Only players, coaches and managers are allowed inside the roped off areas. This will be strictly monitored.
Warm up in designated areas only - not on tournament fields.
- **Retreating Line:** Retreating line rule applies.
- **Team size:** 7v7, max 10 players per team.
- **Substitutions:** Rolling. Players must wait until substituted player is off the field, new player to enter at half way mark. Coaches and substitutes to remain in marked technical areas.
Each player is to play as a minimum the equivalent of 2 full games during the course of the tournament.
- **Game duration:** All matches are 2 x 20 minutes, with max 5 min half time.
All matches start and stop by central hooter signal.

Pool games – no winner required

In placement games (ie 5-8,9-12,13-16) - If the result is a draw at full time then straight into penalty shootout.

Penalty shootout - 3 penalties, then sudden death.

In finals

If the result is a draw at full time in the final, the game continues into 5 min extra time each way.

If scores are still level a penalty shootout will follow.

- **Spectacles:** It is the parents /caregivers' responsibility to ensure only approved sport spectacles are worn.
- **Jewellery:** No jewellery of any sort to be worn.
- **Referees:** Due to the large number of games at our tournament, we have a number of youth referees assisting us over the 3 days under guidance and mentoring of a Referee Advisor.

This is also to grow the number of qualified referees so badly needed in the game.

Please play your part in supporting them throughout the tournament and keep it Positive [+].

The primary driver for the tournament is for kids to have fun, continue to fall in love with the beautiful game, and get a taste of a large sporting event and meet new friends along the way.

Play hard & play fair – but remember *the town clock is not at stake*.

Retreating Line Key points

- When a team's Goalkeeper receives the ball, they have the choice to wait for the attacking players to drop back behind the retreating line. **If the GK chooses not to wait until all the opposition are behind, then the ball is live.**
- When the Goalkeeper plays the ball out, only upon the first touch of the Goalkeepers team-mate can the attacking player advance over the retreating line.

Coaches and Referees:

- ✓ From the GK receiving the ball, the game should be 'live' within a maximum of 6 seconds, if you use the retreating zone or not. ie. The GK plays quickly OR allows players to set-up for play from the back once the opposition are behind the retreating line.
- ✓ Encourage the players to quickly get behind the retreating line.
- ⊗ **Do not** - Allow the goalkeeper to kick long every time. Encourage playing out from the back.
- ⊗ **Do not** - Put a defender on the goal line whilst the GK takes a goal kick.
- ⊗ **Do not** - Allow your defender receiving the ball to wait until it stops rolling and taking too long. Encourage early touches.

Players receiving the ball within the retreating line will be pulled up by the referee for stationary ball run ups, and a free kick awarded to the opposition to be taken on the retreating line.

- **Offside:** In 7v7 the Retreating Line is also used as the offside line for attacking players
