

Yingshan Gu

Name: 古映珊/Ying/Miss Gu

Country: China

School: Merrin School

Teaching Subject: Mandarin

Telephone: 021-214-0711

Email: 1194372142@qq.com

物載德厚

China is not only an ancient civilization with a history of 5,000 years, but also a modern country with the world's second largest economy.

In class, you can not only learn calligraphy, paper cutting, traditional Chinese painting and other ancient traditional arts, but also enjoy the four new great inventions of China: high-speed rail, mobile payment, shared bicycles and online shopping.

Welcome to Miss Gu's Mandarin Class!
