

Christchurch City Council

# Learning Through Action

Environmental Programmes  
For Schools

*“Learning through action. Engaging minds. Empowering citizenship.  
Ko tō ao, Ko tōku ao”*

# Our programmes are:

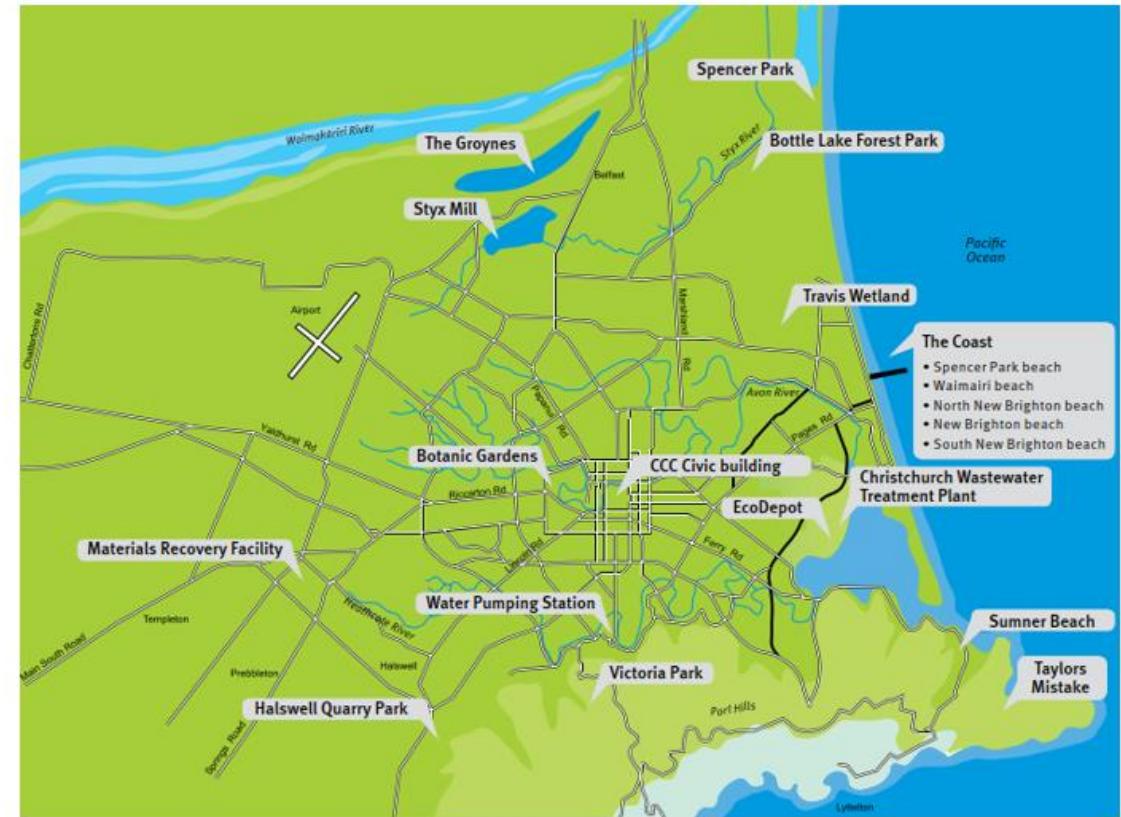

- Free
- Place-based, immersive learning for Yr 0-13
- Linked to NZC
- Easily accessible via website or booklet
- Loads of fun!
- Oh, and did I mention free?

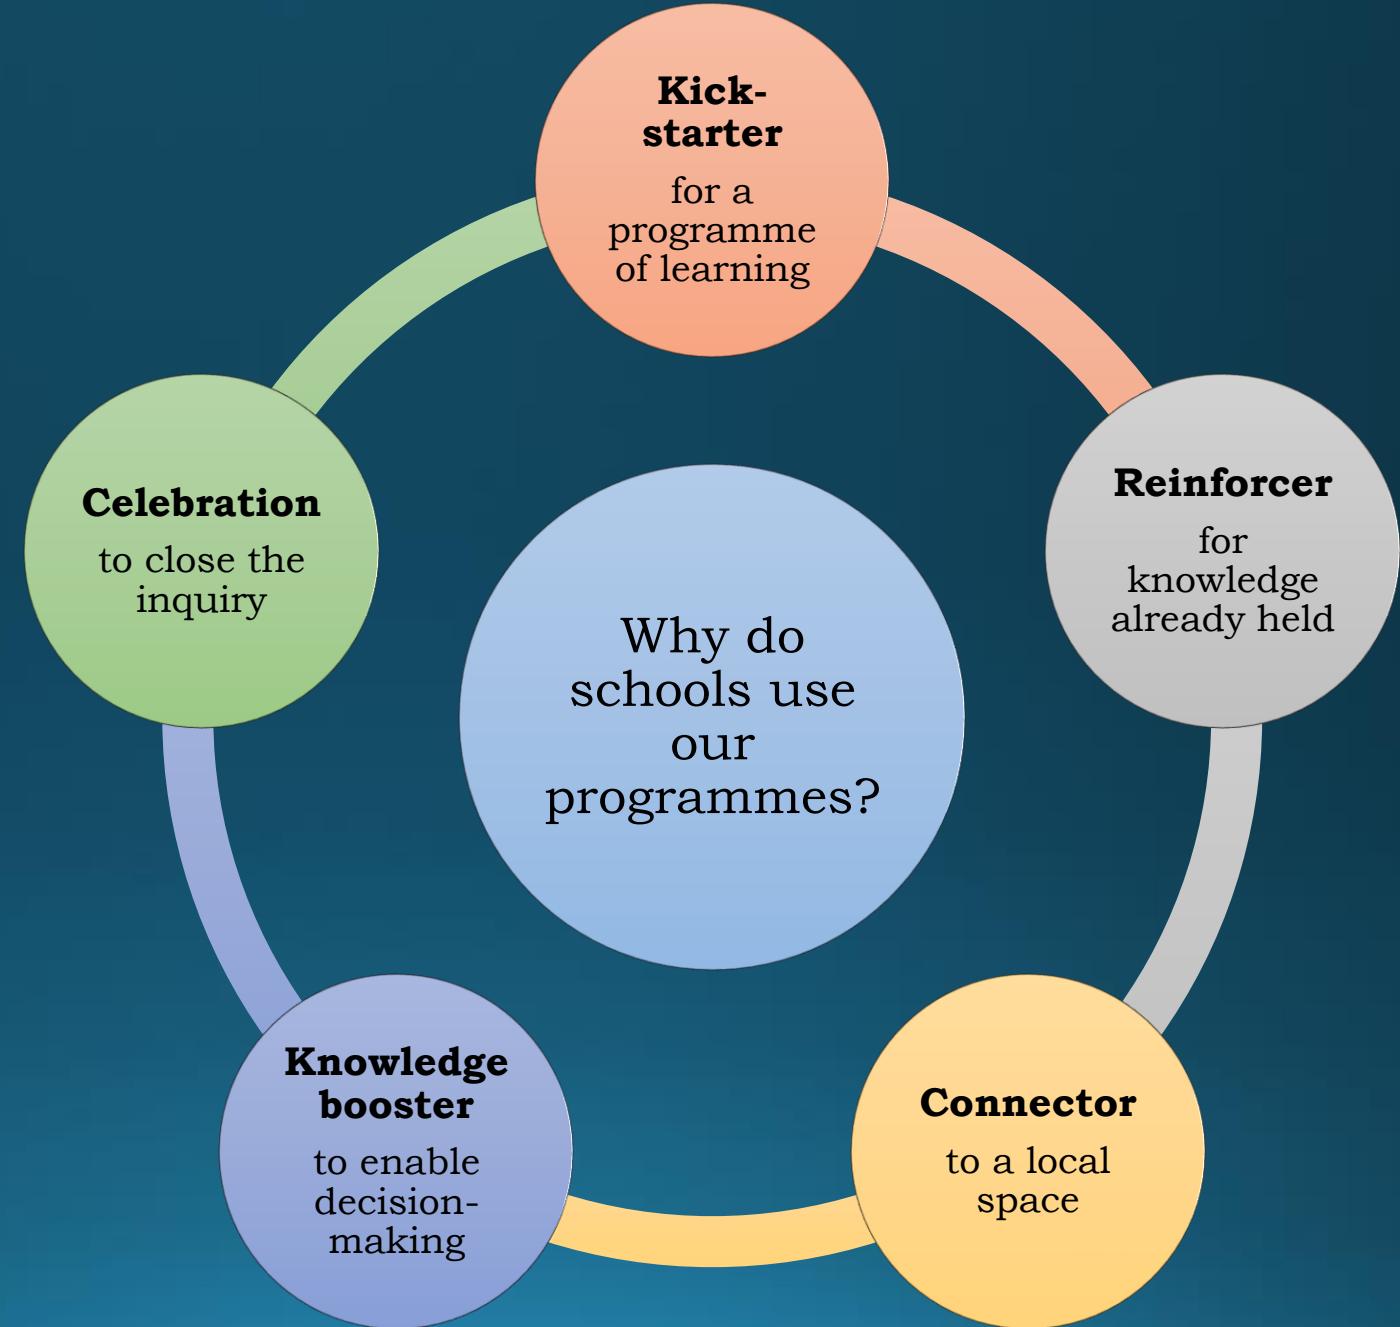

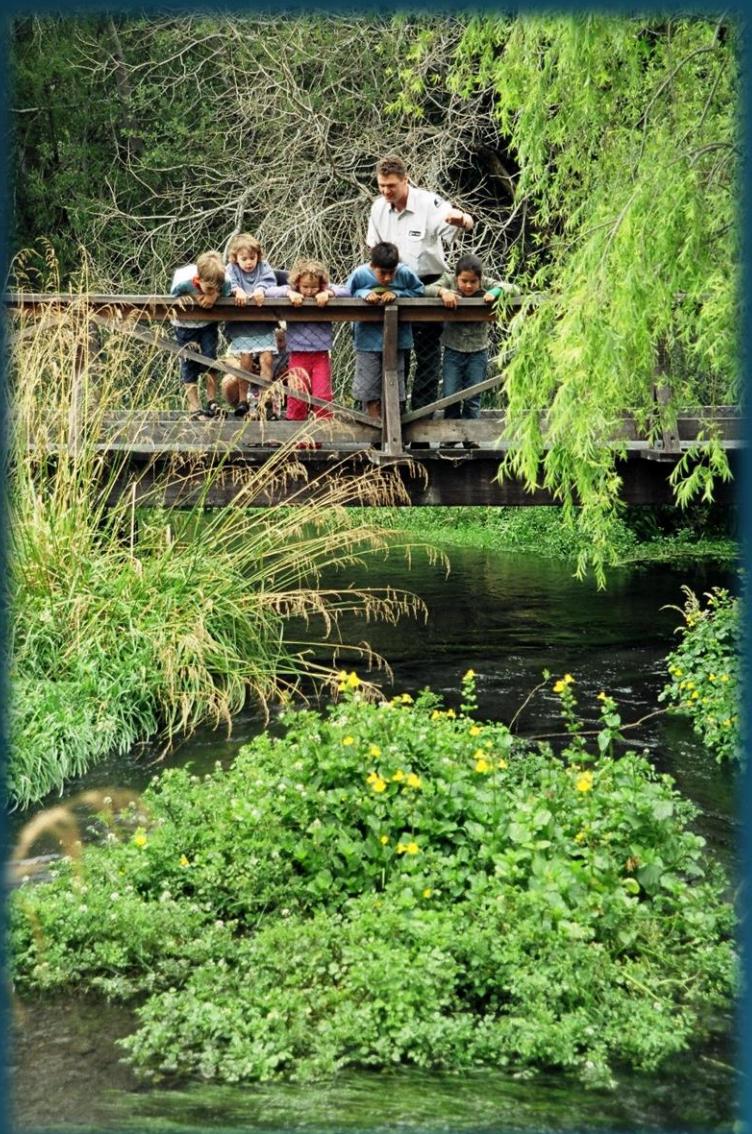

## 21 Programmes

## Core Sites

# How are we doing?

- In the last 5 years we have worked with over **200** schools in and around Ōtautahi Christchurch
- We are currently tracking at **99%** satisfaction with the programmes we deliver
- Over the last 12 months we have shared our programmes with **12,299** participants
- We have over **800** teachers on our database

Time for some fun 😊

# How did you get on??

Check out the key signs to unc what pests are lurking in these hi

**Footprint**

**Scat**

**Why I am a pest!**  
I eat the flesh from the neck and head of flightless birds (ostriches) and birds that nest holes (kaka).

**Best way to kill me on**  
Port Hills:  
Box (trap).

**Why I am a pest!**  
I destroy plants and trees feeding on leaves and stripping bark.

**Best way to kill me on**  
Port Hills:  
Shooting, trapping an

**Why I am a pest!**  
I am responsible for the loose soil around seedlings. I also kill new growth.

**Best way to kill me on**  
Port Hills:  
Shooting, trapping

**Why I am a pest!**  
I eat eggs and babies. I also eat insects, small lizards and frogs.

**Best way to kill me on**  
Port Hills:  
Poison.

**Why I am a pest!**  
I (and the rest of my family) kill up to 200 million kiwi in New Zealand each year. We eat adults, chicks and eggs. We also eat lizards, frogs and insects.

**Best way to kill me on**  
Port Hills:  
Trapping.

Learning Through Action | Chris Clegg

# What's coming up?

- Climate Change
- Storm Water

Hot off the press...

## Nurturing Nature

- Environmental Restoration
- Kaitiakitanga

# What the schools are saying...

“It strongly teaches the importance of sustainability, and the activities really make the pupils think.”

“To save water as much as I can and pass on the message to friends and family.”

“Reinforced learning in a real context.”

“I will make sure I put things in the right bin.”

“Fabulous hands-on experience for all children.”

Councillor Cotter
