THE INTEGRATED PRACTICE

# WĀNANGA AND SOCIAL SERVICE EXPO

LISTEN | CONNECT | ENRICH | REFRESH

Celebrate our community and join in an expo to meet other services and share with them what you offer. Our Social Service Expo is an exciting opportunity for attendees to network and connect with a variety of social services, as well as promote their own services. Be inspired by speakers Jase Williams and Dietrich Soakai at the Wānanga and connect and network at the Expo during the breaks. With a diverse range of organizations in attendance, this is an ideal forum for building connections and collaborating with other professionals in the social service sector.

Don't miss out on the chance to be part of this informative and rewarding event!
