

# YEAR SEVEN VISION SCREENING

Thursday 29th of February

The Vision Hearing Technicians from Te Whatu Ora - Southern will be visiting your school to screen all year seven students for distance vision shortly.

## Screening Provided:

### **Distance Vision (Amblyopia & Hyperopia)**

This determines how well your child can see at a distance. It involves reading an eye chart.

**If you do not wish your child to be screened, please fill out an opt-out slip, which are available at the school office before our visit.**

*This free vision check is not required if student wears glasses and/or is currently under care of an optometrist or eye specialist (within the last six months).  
In this case you **do not** need to fill in an opt-out slip as we ask all children before we screen if they fall into this category.*
