Are you one of 20,000 Kiwis without in-home internet access because cost is a barrier? You could be eligible for free broadband through Spark's not-for-profit broadband product, Skinny Jump. Availability depends on the location and capacity of the nearest Cell Tower to your home.

To check if Jump is available at your home, text your address to 022 152 1977

If you already have a prepaid Skinny Jump wireless modem, please text Leona to find out how you can easily transfer to free broadband.
