“ TESTIMONIALS

I used Pure Services to clean and remove the mould from some curtains. The results blew me away, they looked like brand new curtains and did not shrink. I can highly recommend Pure Services to anyone needing curtains cleaned.

- Sam Chilcott, Flowers on Mornington

I use Susan at Pure Services Otago to clean my B&B. I have super high standards when I do my own cleaning and I expect nothing less when I use a company to do it. I consistently receive great cleans and the little touches that make my B&B special are always attended to. Thanks.

- Sarah Watts

I had my house spider proofed and you could actually see the spiders run, very friendly person who was only too happy to answer my questions, we also spider proofed my car and no more cobwebs since. I would highly recommend this business.
