

# **Parkview Pārua School**

## **Skool Loop App**

# A guide on how to use Skool Loop

Here at Parkview Pārua School we are using The Skool Loop App.

We will be using the Skool Loop app to connect with Parents/Whanau via notices, newsletters, permission slips, updates, calendar events etc. It's also great for parents to report absent students (including a text option), sign permission slips or contact us via the 'Contacts' section.

Skool Loop will significantly reduce the amount of printing/paper usage and ensures all notices get home as well as keeping Parents/Whanau well informed. We hope to continue using the app in the future with Parent/Whanau support and ask that all families download this free app to their phone or tablet.

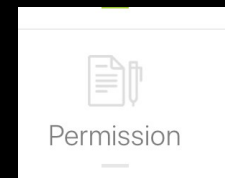

## Newsletter

Keeping up to date with school community news and other related information, with a direct link to the current school newsletter

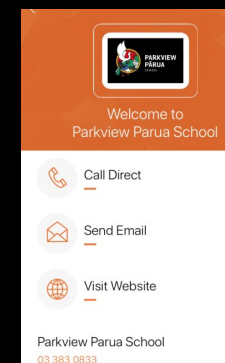

## Permission

Parents and caregivers can electronically sign forms and permission slips.

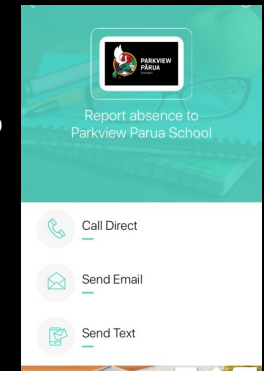

## Contacts

One easy list of contacts for you including call direct, send email and visiting our website

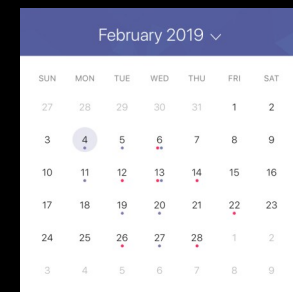

## Absentee:

Quick, simple and convenient way to report your child as absent

## Calendar:

View school dates and events

## Notices

All push notifications and instant messages sent from the school are recorded here with any school notices and files.
