

Worm Farm Workshop

Come along to a worm farming and composting workshop run by Hurunui District Council's Waste Education Officer Serina Linton.

Both composting and worm farming are fun and easy ways to ensure organic waste doesn't end up at landfill, and Serina has a lot of tips and tricks on how to get the process started.

Everyone is welcome including children. There will be coffee to start.

Date: Monday 8 May

Time: 2.30pm to 4pm

Location: Amuri Library
