

We are very excited about the 2022 netball season, run by Taieri Plain's Junior Netball [TPJN] committee of volunteers on the Taieri for over 40 years. The exciting aspect for us is that the Taieri College netball courts have completed a renovation costing over \$1.2 million and are now ready to be used.

Depending on the covid levels for sport in New Zealand in Term 2, we are aiming to have most age-groups of netball play at Taieri College.

We would appreciate more people from our community coming on to our committee to help maintain netball on the Taieri as without helpers we are going to struggle. If you can offer a little or a lot please come along to our AGM to see what you can do to help us.

While we do have some vacant positions / jobs, the bulk of positions have been filled. This does **not** mean that this current group of people can do **all** of the work. Please help us to share the load by offering to help out on a Saturday or even with a small job on the committee. We only meet about 3-4 times a year and it would be **ideal to have three or more helpers from each school. Please help us to help your children!**

In particular, we are looking for a Secretary and a Health and Safety/ First Aid Co-ordinator, however, in general we just need some helpers to help on a Saturday for a few hours.

So please come along to our AGM so that we know that we can confidently proceed this year.
