

Cookie Dough Collection

Hi Everyone,

The collection date for the Cookie Dough is **Thursday the 15th June**.

Your cookie dough will be put into collection bags along with a packing slip that you can then sort to distribute to your buyers.

We will have your cookie dough available for collection from 2.30pm you will see us outside the grass patch in front of the swimming pool ready for you.

The dough is frozen so we will require you to please pick this up from us on the way out of school on Thursday. If for any reason you can't please let me know & I will keep it frozen & arrange another time for you to collect. Due to the weather being nice & chilly at the moment the dough should stay pretty frozen but when you get home, please put into your freezer until you decide to bake up some delicious cookies to enjoy!

We thank you for all your support with this fundraiser & welcome any feedback. Keep an eye out for the up & coming Pie & Savouries fundraiser.

Regards

Yaldhurst Model School PTA
