

# Better Start Literacy Approach

## Whānau Hui

You are invited to a brief parent workshop on Monday 18th March at 3.30pm. This will take place in M1.

This is an informal workshop to provide any further information about the Better Start Literacy Approach and how you can best support your child at home. BSLA is a structured literacy programme that SNBS has adopted for all Year 0-3 children.

Child supervision will be available in M0 for the duration of the workshop.

The Better Start Literacy Approach website has further information for parents - [www.betterstartapproach.com](http://www.betterstartapproach.com)

We hope to see you there.

Manaia and Kuaka Team.
