Owing to Covid-19 Dunedin CAB is only seeing clients face-to-face by appointment.

If you would like to see us face-to-face?

We are happy to see you!

The procedure is:

Call our direct line 03 4716166 or 0800 367 222 and ask to speak to Dunedin.

We can see one face-to-face client at a time

If you are outside our premises and we are free when you ring we can see you immediately.

You will then:

- **Scan** in (paper sign-in is available)
- **Mask on** and please keep on while you are in our premises
- **Hand sanitise** before you enter
- **Vaccine pass** is required – we will validate your pass
- Stay **2 metres** apart from our volunteers at all times
