

PROCEDURES FOR STUDENT ASSESSMENT WEEK 2022

Tuesday 6 September – Tuesday 13 September

There is **no study leave BEFORE the first assessment**.

From Tuesday 6 September until Tuesday 13 September, you are only required to be at school when your classes appear on the Senior Assessment week schedule.

1. Be at school ready for morning assessments by 8.40am (you do not need to attend Form Time), for afternoon assessments by 12.55pm.
2. Written notes are required in advance of the assessments if there are reasons why you cannot sit the assessment at the set time. These are to go to Mrs Fenemor.
3. You must wear school uniform.
4. Carefully check the timetable for assessment week, so you know the **day** and **time** of each assessment.
5. For students sitting NCEA Practice Assessments you may not leave the assessment until directed by your supervisor. This includes digital Practice Assessments. This will be at 60, 90 or 120 minutes.
6. Details of rooms will be given to you by your teacher. (These will be in either the Hall or a classroom and posted in the Hall foyer).
7. Pens, pencils, calculator etc – bring in a clear plastic bag/pocket.
8. Cell phones, watches and any digital devices are best left at home (unless you are sitting a digital practice exam, where you need to bring your own device). If cell phones and watches are brought into the room, they must be turned off and placed in a clear plastic bag under your chair.
9. No food is allowed in the assessment rooms. Water is allowed in clear water bottles only.
10. **No talking** once you have entered the assessment room.
11. **You must** contact the school if you are not able to be at your assessment.
12. Buses leave as normal at the end of the day.

Waimea College Senior Assessment Week 2022

Students will be on study leave from Tuesday 6 September - Tuesday 13 September 2022, except when they have an assessment. More details will follow.
