

**Helen Anderson's –  
RHYTHM n STEPS DANCE ACADEMY**  
Is proudly working with Kaurilands Primary School  
to help nurture the creative talent of the  
children within the school.

I am proud to announce that we are taking Enrolments now for Term 3, 2022. Rhythm n Steps will bring Lunchtime JAZZ Dance Classes into the school again. For the parent who just can not get their child to after school/weekend dance classes, or for the parent with multiple children the logistics of being here and there at the same time just does not work! With the cost of living going up this is the ideal way to give your child their dance class without having to do any extra travel. We have done the work for you and brought  
**DANCE TO YOUR CHILD IN SCHOOL!!!**

The classes are designed for beginners of all ages, boys and girls, they are not exam orientated. Monday & Friday Lunchtimes, the children bring their lunch and water bottle to the hall, and get a 45 minute dance class.  
The cost of this is \$135 per term.

Secure your child's place now by going online to [www.rhythmnsteps.co.nz](http://www.rhythmnsteps.co.nz) and filling out the online enrolment form.  
Your online enrolment will be acknowledged with more information.

We have a limited number for the class so please make sure you send your online enrolment form today to secure your child's place for Term 3, 2022.

The school office DO NOT handle enrolment, so please do not ask them.  
If you have any questions what so ever feel free to email me at [rnsteps@xtra.co.nz](mailto:rnsteps@xtra.co.nz) or give me a call on 0274 732861.  
I am happy to answer any questions.

I look forward meeting you and your lovely children and watching them develop in the beautiful world of dance.
