Step 6: Create your page

Edit all your fundraising page details to make the most of your fundraising page. Or if you want to do this later scroll to the bottom and select the orange button 'Next'. All these aspects can be changed later through my.worldvision.org.nz/sign-in

REMEMBER: If you are under 18 you must click the box at the end and supply your parents email address

Step 7: Your done!

Your fundraising page is now created! You can download our new app to make your fundraising even easier or continue by selecting the orange button 'Next' to email everyone to ask them to donate to you. If you don't want to email your friends now select the orange button 'Skip' and go on to see your profile page.

Head to my.worldvision.org.nz/sign-in to manage your fundraising page and invite everyone to support you.
