

PORRIDGE,
AKA KALANI NATHAN, 11
Attends Whangārei
Intermediate School

What do you love most about Northland? "I love the nature stuff like beaches and trees, walking tracks. Trips up to Cape Reinga. I grew up in Whangārei but would like to see more of the world."

Porridge enjoys drawing and making their own bead jewellery. They also do cosplay of Minecraft YouTubers and Five Nights at Freddy's characters (a horror game). On top of this, they're an aspiring writer.

"I'd like to start writing fiction at some point, probably horror stories."
