## GOOD DIRT DISCIPLING

Ōtautahi city wide kai/kōrero

Kai/Kōrero Wed 11 October 5.30pm

Missional Community Start up Feb 3 2024

200 Riccarton Rd Near University Canterbury

web: [stmartinsstjames.church](http://stmartinsstjames.church) Riccarton Spreydon

Traditionally, the process of following Jesus is known as discipleship. Here at 'Good Dirt' we believe that discipleship in community is a core aspect of following Jesus. Our life together is a journey to grow in faith.

Good Dirt is hosting an evening of kai (our shout) & kōrero on planting Local Missional Communities for young adults and/or students or couples. Our team will be sharing some of the good, the bad, the challenging of community living. We are here to help support and equip those feeling a call to join or plant missional communities.

Kōrero & Kai 11 October 5.30pm-8.30pm 95 Tuam Street Anglican Centre Lounge.

Beginning with dinner together, we invite all those curious about joining/planting local missional communities here in Ōtautahi as an alternative expression of Jesus followers planted in the community to learn and reflect together on what this could look like in Aotearoa New Zealand.
