

Three Kings School

PTA

2023

Kia ora,

The Three Kings PTA would like to say thank you to all the members of the school community who have supported the PTA in 2023.

We appreciate all the help from those who set up and packed down PTA run events, bought cookies, and donated to the Read-a-thon, amongst other activities.

Our highlights this year include the Glow in the Dark Disco, a successful sausage sizzle and fundraising a large chunk of money to put toward the library renovations.

The PTA runs on the hard work of a small group of people and would love your support. Feel free to get in touch with us any time if you would like to get involved at 3kingspta@gmail.com.
