

VALUES LESSON

**WALT: Show the CARE
values when using the
Library**

- Today we are going to review the school expectations for using the library in our school.
- You will get to discuss each value in your small group and either role model back to the class or report back to the class.
- Your teacher will record your ideas in the Playground/ Values modelling book.

Key Questions to be thinking:

How can I show my CARE values when using the
Library?

How can I apply my CARE values in different
situations?
