

Migrant Communities in Japan and New Zealand during the COVID-19 Pandemic: Repercussions and Responses

Professor Ma Reinaruth D. Carlos
Ryukoku University, Japan

The COVID-19 pandemic has brought unprecedented change for the whole world, including migrants as vulnerable people. In this workshop, Professor Carlos will summarise the experiences of Filipinos in Japan and invite discussion around the responses and repercussions to the pandemic from migrant and refugee communities in Dunedin.

Wednesday 14 September 2022, 12-2pm

Zoom Presentation
