Community Update – Omicron

Omicron cases are increasing rapidly with varying degrees of unwellness.

If you are unwell with any respiratory, cold or flu symptoms, sore throat, cough, headache, fever or are feeling generally unwell and/or you are concerned you may have been in contact with someone who has tested positive for covid, continue to call us here at the health centre where one of the practice nurses will triage you and assess the need for testing.

At this stage only people who are symptomatic or household contacts will be tested, according to guidelines, this includes RATs (Rapid Antigen Tests). Relevant advice re close contacts and isolation requirements will be shared.

We are regularly advised of changes and variations to guidelines and procedures by the Ministry of Health. This information will be updated on the Facebook page and website accordingly.

Amuri Health is patient centred, and still here, just a phone call away. We will always be available for advice and support, so please, don't hesitate to call if you have questions or concerns.

Autumn botanical upcycling workshops

Sunday 24 April

Hosted by Jane McIntosh at The Top Cottage, Lowry Peaks Road, Culverden

Hi – my name is Karen. Please join me on one of my hands on fun and creative sessions where you get to 'play' with paint, moulds and transfers in a beautiful botanical setting. Be the envy of your friends with your beautiful bespoke project. Upcycling is so satisfying – breathing new life into everyday objects. But be warned – once you start, you will be hooked!

No experience necessary — everything included in the ticket price including light refreshments.

Spaces limited: book & pay online at autumnwithartingardens.co.nz

Morning: 10am – 12.30 @ \$115

Take a pair of terracotta pots and upcycle them with a touch of French flair to use for potted colour, as a décor piece or for storage. Along with mineral & metallic paints you will create moulds from air dried clay and attach them while damp to fit the curve of the pots.

Afternoon: 1.15 – 4pm @\$110

On offer is a beautiful range of metal & wood trays for you to upcycle. These can be used in daily life, as a décor piece or a gift for that special person. Pick a colour that you love for your tray, and then choose from a range of stunning botanical transfers .. this is when the fun really starts!
