

Maths & English after-school learning programme

Kumon is the largest after-school learning programme in the world with over 4 million students enrolled across 50 countries and regions. At Kumon students progress through the programme based on their ability rather than their age. Over time, students can study advanced material confidently and independently for success in school and everyday life.

Kumon Maths and English develop

- calculation ability and reading ability
- concentration
- a daily study and reading habit
