

Te Tūhaitara Coastal Park

Purpose

1. Determine users' current understanding and knowledge of the Tūhaitara Coastal Park
2. Identify knowledge gaps
3. Find methods suitable to communicate important information about the area.

This will help Te Kōhaka O Tūhaitara Trust (who manages the Park) further promote and enhance environmental, cultural and historical understanding about the area.

Why you?

You are invited to participate in this research because you have experienced and indicated an interest in the Coastal Park.

If you have time please scan the QR code and complete the survey.
